## EDUCATION

### **Bismarck State College | Associate of Arts and Science**

FALL 2015 – SPRING 2017

I began my undergraduate career at BSC where I completed my general courses. I maintained a 4.0 GPA, was a part of Phi Theta Kappa Honor Society, and found my love for education.

### **University of Mary | Elementary Education, Special Education Minor**

FALL 2017 – SPRING 2019

I will complete my undergraduate career at the University of Mary in the spring of 2019. During this time I have grown immensely as a person and a future educator. I have continued to maintain a 4.0 GPA, joined SNDU, and was accepted into the Out of the Gate PBL Grant.

## EXPERIENCE

### **Bismarck Parks and Recreation | BLAST Leader**

MARCH 2016 – PRESENT

As a BLAST leader, I am responsible for a group of students K-5 in an after school care setting within the public schools. I plan activities, play games, assist students with homework, and communicate effectively with staff and parents.

### **YMCA Youth Development Center | Youth Leader**

JANUARY 2015 – MARCH 2016

As a youth leader, I was responsible for riding a bus to pick up K-5 students in the public schools. I lead a class of K-1 students by planning lessons, creating art projects, and assisting students with homework.

## ACTIVITIES

I am passionate about people, finding servant leadership very rewarding. I have been a youth group leader, young adult small group leader, and taken part in various mission trips throughout my life. Each of these experiences have pushed me to grow in new and exciting ways. I have also had the wonderful opportunity of being involved in the Out of the Gate PBL Grant which has taught me valuable knowledge toward implementing project based learning in my future classroom and shaped my approach to education.
